# GENERAL **INFORMATION**

## STATEMENT OF PURPOSE

---

Southwestern Assemblies of God University is a Bible-based institution for theological and professional studies. It is rooted in the great commission of Jesus to “Go into all the world and preach the good news to all creation” and to “make disciples of all nations . . . teaching them to obey everything I have commanded you” (Mark 16:15a; Matthew 28:19, 20), which is the primary emphasis of SAGU’s parent body, the General Council of the Assemblies of God.

Southwestern Assemblies of God University exists to equip students spiritually, academically, professionally, and cross-culturally for their God-given careers and callings.

## STATEMENT OF FAITH

SAGU embraces and supports the doctrinal teaching of the General Council of the Assemblies of God as set forth in Article V, Statement of Fundamental Truths, of its Constitution. The following statements summarize these doctrines.

### We Believe

- ....the Bible is the inspired and only infallible and authoritative written Word of God (2 Timothy 3:16).
- ....there is one God, eternally existent in three persons: God the Father, God the Son, and God the Holy Spirit (Deuteronomy 6:4; Matthew 28:19).
- ....in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His personal future return to this earth in power and glory to rule a thousand years (John 1:1).
- ....in the blessed hope — the rapture of the Church at Christ’s coming (Titus 2:13).
- ....the only means of being cleansed from sin is through repentance and faith in the precious blood of Christ (John 14:6).
- ....regeneration by the Holy Spirit is absolutely essential for personal salvation (Titus 3:5).
- ....in water baptism by immersion (Matthew 28:19).
- ....the redemptive work of Christ on the cross provides healing of the human body in answer to believing prayer (1 Peter 2:24).
- ....the baptism in the Holy Spirit, according to Acts 2:4, is given to believers who ask for it.
- ....in the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy life (Galatians 5:16-25).
- ....in the resurrection of both the saved and the lost, the one to everlasting life and the other to everlasting damnation (Revelation 20:11-15).

# STATEMENT OF CORE VALUES

---

## **Bible-based Education**

God is the ultimate source of all knowledge and truth and has revealed Himself in Scripture; therefore, SAGU is committed to the authority of the Bible and the integration of biblical values in all academic disciplines. The pursuit of truth and its application in every area of life comes through understanding the Word of God and knowing Christ. The University intends that students will deepen their understanding of Scripture and develop well-founded theological convictions for a life of Christian service through a carefully selected core of Bible and theology curriculum.

## **Academic Excellence**

SAGU is a university devoted, under God, to the pursuit of truth through the use of the mind. Students, therefore, are encouraged to bring their minds in submission to Christ and fulfill their responsibilities as stewards, and work for the integration of thinking and learning in the framework of a Christian worldview. Students are encouraged to develop their minds and intellects in the pursuit of knowing Christ and his creation, and seeking God's direction as they choose a vocation or career path.

## **Spiritual Formation**

SAGU is committed to fostering spiritual formation among students that produces life-long spiritual growth and character development. Students are encouraged to develop their understanding of biblical faith, increase their desire to know and serve God, and develop personal integrity and character by applying biblical values to their lives. Chapel and local church participation is emphasized because worship is an important element in the University's strategy for spiritual formation.

## **Missions-mindedness**

SAGU is founded on the belief that every believer has a personal responsibility for the Great Commission. SAGU intends that students will embrace missions-mindedness as evidenced by life-long personal involvement in world evangelism, a life of intercessory prayer for the lost, personal witness, contributing resources to world evangelism, and a willingness to go into full-time missionary work (if called by God) or, at a minimum, participate in a short-term mission trip.

## **Pentecostal Distinction**

SAGU is committed to an environment that encourages students to experience Spirit baptism according to Pentecostal theology to obtain additional power for witness, personal edification through speaking in tongues in private prayer, and additional enablement through spiritual gifts, while continually pursuing spiritual formation and a Spirit-formed character. The University also encourages the operation of the gifts of the Spirit in worship services according to the scriptural directive.

## **Servant Leadership and Ministry**

SAGU's mission is founded on the belief that God intends every believer be actively involved in ministry that reflects service and servanthood. Fulfilling the mission of the church requires all believers, no matter their chosen career and calling, to work in team-like fashion using their unique gifts and talents in churches and ministries around the world as pastors, board members, elders, deacons, and heads of creative ministries in the pattern of the servant ministry of Jesus Christ.

## Community and Personal Wellness

SAGU is committed to the understanding that discipleship occurs in community and in relationship; therefore students are encouraged to develop the social and relational skills needed to contribute to an affirming, loving, and giving community of believers. Additionally students are encouraged toward emotional and physical health for the purpose of enabling long, faithful service unto God. Eating properly, sleeping adequately, exercising regularly, and sufficient rest properly honors God through the body.

---

## UNIVERSITY STUDENT LEARNING OUTCOMES

---

Upon graduation from SAGU, students will be able to:

1. integrate biblical principles of faith into their lives.
2. demonstrate academic competence in their respective fields of study.
3. formulate a personal strategy for Christian service.
4. engage in a global community with societal awareness, cross-cultural appreciation and a biblical worldview.

---

## UNIVERSITY STANDARDS

---

Southwestern Assemblies of God University embraces standards of conduct that are the same as those generally accepted by the Assemblies of God in America. These are characterized by clean behavior and conversation, modest apparel, high moral standards, commitment to excellence in educational and professional development, and deep consecration and devotion in spiritual life.

High Christian standards relate to all facets of University life. Though they are reflected in the spiritual development of the student, they do not end there. Christian citizenship is a biblical obligation. Christian ethics extend into the intellectual development of an individual, and Christian morality regulates social relationships. Accordingly, the Christian will assume responsibilities in the educational community with cheerfulness and friendliness. Relationships at SAGU must reflect moral purity and distaste for promiscuity. High standards are imposed in the area of physical development. This results in habits and diets that contribute to good health and physical well-being.

The same Christian standards apply to faculty, staff, and students. General student conduct standards are explained in the Student Handbook. The Student Conduct Committee embraces the responsibility of maintaining the high Christian standards of the student community. The committee may require a student who does not embrace the aims and ideals of the University to withdraw if the general welfare of the University demands it.

## HISTORY

---

Three Bible schools joined together to form Southwestern Bible Institute. The first, known as Southwestern Bible School, was established at Enid, Oklahoma, in 1927 under the leadership of the Reverend P. C. Nelson. The second, Shield of Faith Bible School, was founded in Amarillo, Texas, in 1931 under the direction of the Reverend Guy Shields. It included not only a Bible school, but also a grade school and high school. The third, which was operated as Southern Bible Institute in connection with the Richey Evangelistic Temple, began at Goose Creek, Texas, in 1931. It was started by the Reverend J. T. Little in Trinity Tabernacle and later moved to Houston in 1933.

The Bible school division of Shield of Faith was moved to Fort Worth in 1935. The high school division was transferred the following year. In 1940, a merger resulted in Southern Bible Institute moving to Fort Worth. The combined school, operating as South Central Bible Institute, came under the ownership and direction of the Texas District Council of the Assemblies of God. The school in Enid merged with

South Central in 1941, at which time the name was changed to Southwestern Bible Institute. In 1943, the institute was moved to its present facilities in Waxahachie, Texas. During the 1944-45 term, a junior college curriculum was added to the school's program. The Junior College Division soon accounted for about half of the enrollment in the College.

Southwestern Bible Institute became a regional school in 1954, owned and operated by seven districts of the Assemblies of God—Arkansas, Louisiana, New Mexico, North Texas, Oklahoma, South Texas and West Texas. The Mississippi District was added to the region in 1979.

The owning Districts officially changed the name to Southwestern Assemblies of God College. In 1963, the upper two years of the College were renamed Southwestern College of the Bible. In 1968, the separation of the divisions of the college was made more complete, and the Junior College was designated Southwestern Junior College of the Assemblies of God and gained regional accreditation at that time. In 1984, the School of Distance Education was established. In 1988, the Junior College and Bible College divisions were reunited as Southwestern Assemblies of God College and in 1989 regional accreditation was attained for the College.

During the 1990's the school experienced an unprecedented rate of student growth. In December 1994, the Board of Regents unanimously approved the name change to Southwestern Assemblies of God University, and authorized the development of the Thomas F. Harrison Graduate School to provide master's degree programs. The vision for a higher level of education was born under the administration of President Dr. Delmer Guynes. In the summer of 1996, Southwestern Assemblies of God University opened its Graduate School. Dr. H. Glynn Hall was appointed as the first Dean of Graduate Studies at SAGU. With conditional accreditation from the Southern Association of Colleges and Schools (SACSCOC), and two master's degrees available— Practical Theology and Education—the graduate school offered its first program in the fall of 1996. The master's degree in Counseling Psychology and Graduate Distance Education courses were still in development when the first twenty-three students registered that fall.

Within a year, the graduate school was named the Thomas F. Harrison Graduate School as the beneficiary of the estate of the late Dr.'s Thomas F. and Louise K. Harrison. The foundation established under the leadership of Dr. Hall provided for the continuity of the growth rate of the Graduate School, as well as the expansion of academic programs, resulting in over 300 students by 2010.

In the year 2000, Dr. Hall relinquished his position as Dean of Graduate Studies. Dr. Robert N. Harden was appointed to carry the vision of growth for the graduate school. That vision includes the addition of diverse programs of study, doctoral degree programs, higher enrollment, and physical plant development. The Graduate School now offers master's degrees through various formats to put higher education within reach of students: evening/weekend classes, distance courses, and specialized seminars.

In 2015, SAGU was approved by regional accreditation as a Level V institution authorized to offer doctoral programs.

---

## SPIRITUAL LIFE

---

Activities are promoted which contribute to the spiritual development of students. An important part of this program is the daily chapel period shared by the entire University community. Students are challenged by the administration, faculty, visiting guest speakers, and fellow students. Graduate students are welcomed to participate and encouraged to join the entire campus body in these chapel services. Emphasis is also placed on personal devotions. Spiritual life on campus is encouraged through several organizations and ministry groups.

### Global Prayer Focus

SAGU serves as a Global Prayer Center representing the desire and focus of the districts of the SAGU region to put SAGU at the center of a worldwide prayer movement. The Hugh P. Jeter World Prayer Center is open daily to inspire intercessory prayer for all regions of the world as well as personal needs. The Road to Emmaus Prayer Walk features a prayer path of approximately one mile in length. Administrators, faculty, staff, and students use the walk daily for prayer and exercise.

### Student Ministries

SAGU's primary objective is the training of individuals to enter worldwide Christian service. In keeping with this objective, Student Ministries compliments academic training with essential practical training in Christian service. Therefore, all students are expected to be faithful in church attendance and are strongly encouraged to participate in local church ministries. Christian service should characterize every student's life.

---

## PERSONAL LIFE

---

SAGU maintains concern about the personal life of its students. All students are expected to conduct themselves at all times in accordance with the teachings of the Word of God, the accepted standards of the Assemblies of God, and the standards of conduct held by SAGU. SAGU students must realize the importance of exemplifying Christian living both on and off campus.

With those from various backgrounds, it is necessary that each student becomes acquainted with SAGU's standard of conduct and dress. The University states its intention of making biblical principles its primary basis for conduct as referred to in the Assemblies of God By-Laws, Article IX, Section 6, as follows:

In view of the alarming erosion of national moral standards, we reaffirm our intention of holding up biblical standards against all forms of worldliness. We urge all believers to "Love not the world, neither the things that are in the world . . . For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world (1 John 2:15-16)."

In its teaching regarding worldliness, the Scripture warns against participation in activity which defiles the body or corrupts the mind and spirit; the inordinate love of, or preoccupation with, pleasures, position, or possessions, which lead to their misuse; manifestation of extreme behavior, unbecoming speech, or inappropriate appearance; any fascination or association which lessens one's affection for spiritual things (Luke 21:34, 35, Romans 8:5-8, 12:1, 2; II Cor. 6:14-18; Ephesians 5:11; I Timothy 2:8-10; 4:12; James 4:4; I John 2:15-17, and Titus 2:12).

## Student Conduct Committee

The Student Conduct Committee has the responsibility of maintaining the high Christian standards of the University. The committee seeks to identify models of excellence in Christian behavior and service on campus. It functions to remedy difficult problems but may also require a student who does not embrace the aims and ideals of the University to withdraw if the general welfare demands it.

# GENERAL SERVICES AND POLICIES

If two checks are returned during a semester, no additional checks will be cashed for one year. A \$30 returned check fee is charged for all returned checks. ## Health Services

The health care needs of Southwestern Assemblies of God University are coordinated through the Residential Life Office.

Insurance: Southwestern Assemblies of God University requires medical clearance and accident insurance coverage for each student admitted. Participation in the student accident insurance program of the University is required. Accident insurance coverage purchased in the University program applies only to the semester for which the student has paid. It should be understood that SAGU does NOT provide a health or medical insurance program for students.

The student accident policy serves as a secondary policy for varsity athletics. All varsity athletes are required to provide their own primary medical coverage to meet minimum requirements as set by SAGU. Proof of primary insurance will be required before an athlete may participate in varsity athletics. Students may link to an available health plan meeting minimum requirements through the SAGU website.

## HEW Regulations

HEW Regulation 84.21 . . . "No qualified handicapped person shall, because a recipient's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity provided by the university."

For further information on the HEW Handicapped regulations, contact the Office of Student Services.

## Student Rights with Regard to Education Records

In compliance with Public Law 93-380, Family Educational Rights and Privacy Act of 1974, you are hereby informed of your rights with regard to education records made at Southwestern Assemblies of God University.

- Other school officials who have legitimate educational interests have access to the records. Officials of other schools in which the student seeks to enroll will have access to these records upon the written consent of the student.
- Also having access are authorized representatives of the Comptroller General of the United States, the Secretary, the Commissioner, and the Director of the National Institute of Education. In connection with a student's application for receipt of financial aid, access is granted to state and local officials or authorities to which such information is specifically required to be reported or disclosed pursuant to state statute adopted prior to November 19, 1974 (nothing in the paragraph shall prevent a state from further limiting the number or type of state or local officials who will continue to have access thereunder).
- Access is granted to organizations conducting studies for, or on behalf of, educational agencies or institutions for the purpose of developing, validating, or administering predictive tests, administering student aid programs, and improving instruction, if such studies are conducted in such a manner as will not permit the personal identification of students and their parents by persons other than representatives of such organizations and such information will be destroyed when no longer needed for the purpose for which it is conducted.
- Accrediting organizations will have access rights in order to carry out accrediting functions.
- Records may be viewed in compliance with judicial order or pursuant to any lawfully issued subpoena, upon condition that the students are notified of all such orders or subpoenas in advance of the compliance therewith by the educational institution.
- Student records will be updated each semester enrolled and course work with grades and total grade point average are figured for the semester's work.
- The student has the right to inspect his records maintained by SAGU. To do this the student must request the permanent record from the Registrar. Also, if the information contained in the file is determined to be incorrect, the right to a hearing to change, delete, or write explanations regarding the information in question will be granted. Should a file contain information on another student, only that information pertaining to the inquiring party will be provided.
- The student has the right to waive the option of reviewing recommendations for admission. The student opting to waive the right of inspection may sign the form "Student Waiver of Rights" provided in the Registrar's Office or sign the "Waiver of Rights" provided on the front of the recommendation forms used for admissions purposes. The student is not required to waive the right of inspection and would in no case be refused admission, or any of the services offered by Southwestern Assemblies of God University, because of failure to sign the waiver.
- The student has the right to challenge the content of his/her education records. To do this, the student should request the form "Request to Amend or Remove Educational Record" from the Registrar's Office. After completing the form, it should be presented to the Registrar, and in the event the request is not approved, a date of hearing will be set. The student may be present during the hearing and will be notified on the day of the hearing of the action taken. A scheduled fee is charged for a copy of a transcript.
- Students have until the last day of late registration to request that "Directory Information" be withheld from the public. Pursuant to the Family Educational Rights and Privacy Act of 1974,

“Directory Information” includes a student’s name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended. If one does not want the “Directory Information” made public, he/she needs only to sign the form, “Notice to Withhold Directory Information,” that is available in the Registrar’s Office.

- This law does not grant the right to contest the grade given the student’s performance in a course, or the right to examine a teacher’s grade book.

Questions regarding the rights provided by Public Law 93-380, Family Educational Rights and Privacy Act of 1974, should be directed to the Registrar’s Office.

## Student Complaints

---

The University regards general complaints with appropriate attention. The student body is regularly polled with respect to academics and student life. Faculty members, College Deans, and the Vice President for Academics are approachable concerning classroom and curricular matters. Student Congress executive officers regularly share student concerns with the Vice President for Student Development. Students are welcomed to visit with the Vice President for Student Development to make personal concerns known. Formal written complaints may be filed with the Vice President for Student Development.

### Initiating and Processing a Complaint

Any student that wishes to log a complaint must first discuss it with the Dean of Students with the objective of resolving the matter informally. Should this informal discussion fail to satisfy the student, then a formal written complaint must be filed with the Vice President for Student Development. No complaint will be received in which the complainant refuses to commit to written record. All persons against whom a complaint has been filed will be notified of the allegations. A complaint may be withdrawn at any step without prejudice and cannot be reopened.

### Procedure

**Step 1:** The complainant shall file a formal written complaint with the Vice President for Student Development, using the Student Complaint Form that can be acquired from the Student Development office, or on the SAGU website ([www.sagu.edu/complaintform](http://www.sagu.edu/complaintform)). This form should be filed no later than 10 days after the incident involved in the complaint.

**Step 2:** Upon the evaluation by the Vice President for Student Development, an investigation will be conducted. The investigation may include interviews of all parties involved in the complaint and the gathering of all available evidence. In the event that the matter involves academics, the complaint will be turned over to the Vice President for Academics for investigation.

**Step 3:** Once the matter has been investigated, the Vice President for Student Development will inform the complainant of the resolution. If the student is not satisfied with the resolution, the complaint shall be transmitted to the President. Whomever the President designates shall meet with the parties of interest. A response to the complaint shall be indicated in writing with a copy furnished to the complainant and the accused. This response will be considered as final.

In the event that a student believes he/she has been unfairly treated, or have issues with the University that cannot be resolved by the methods outlined above, he/she has the right to contact our accrediting agencies and/or various state and other governmental agencies ([www.sagu.edu/complaintprocedure](http://www.sagu.edu/complaintprocedure)).

For students attending the Valor School of Leadership and Ministry in Griffin, Georgia, in the event your issues with the University cannot be resolved by the methods outlined above, you would contact the Georgia Nonpublic Postsecondary Education Commission, 2082 E. Exchange Pl. #220, Tucker, GA 30084-5335. The phone number is (770) 414-3300 and their website is [www.gnpec.georgia.gov](http://www.gnpec.georgia.gov).

## Athletics and Intramural Program

The purpose of athletics at SAGU is to promote and develop good physical health practices, as well as to offer an opportunity for the student to coordinate physical effort, self-discipline, and Christian testimony in the arena of sports. Team cooperation and the development of a sense of fair play are important components of this program.

Varsity sports include women's basketball, women's volleyball, women's softball, women's cross country, and women's soccer, men's baseball, men's basketball, football, men's cross country, and men's soccer. In cooperation with the Equity in Athletics Disclosure Act (1994), SAGU publishes an annual report on its intercollegiate varsity athletic programs. This report is available in the office of the Athletic Director.

SAGU also has an aggressive intramural program. This program is open to the entire campus (administration, faculty, staff, and students). Visit the Garrison Wellness Center for more information.

The student accident policy serves as a secondary policy for varsity athletes. All varsity athletes are required to provide their own primary medical coverage to meet minimum requirements as set by SAGU. Proof of primary insurance will be required before an athlete may participate in varsity athletics. Students may link to an available health plan meeting minimum requirements through the SAGU website.

## Dress Code

Although informal dress is appropriate, students' attire must be consistent with the University's standards of professionalism and decorum. Therefore, students will wear modest attire: tank tops are not acceptable for classroom dress. This code applies during all classes and chapel.

## Child Care

Child care is not provided by the University. Parents are expected to make arrangements for child care other than in the classroom or at the graduate school's facilities.

# FINANCIAL AID POLICIES

The following policies and funds are specific to the graduate student. Please see the Undergraduate Academic Catalog for policies and funds related to the Undergraduate student. For further information, please contact the Financial Aid Office or refer to [www.sagu.edu/financialaid/](http://www.sagu.edu/financialaid/).

## Application Dates

Applications for financial assistance are available after January 1 of each year for the following academic year (August - May). The Free Application for Federal Student Aid (FAFSA) can be submitted online at [www.fafsa.gov](http://www.fafsa.gov) and should be completed by March 1. Priority is given to students whose FAFSA's are submitted by March 1 and whose files are accurate and complete by April 15. To have funds ready at registration, the following deadlines are suggested: Apply by May 1 and have a complete and accurate file by July 1. Students planning to attend summer school need a FAFSA filed for the academic year preceding the summer session. Students are required to apply for institutional aid prior to the end of late registration each semester. After the end of late registration, students cannot be awarded any additional institutional financial aid even if otherwise eligible.

## Financial Aid Eligibility

The financial aid lock in date is the last day a student can receive a 100% refund. This date will determine Stafford Loan eligibility. Classes added after this day will not be eligible for additional federal or state aid. Stafford Student Loan eligibility requires a student to be locked into no less than six (6) credit hours. In order to qualify for state financial aid, students must lock into the required number of hours for each program. Please see the Financial Aid Office for these program requirements.

## Return of Title IV (Federal Financial Aid) Policy

### Introduction

The law specifies how SAGU must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs offered at SAGU that are covered by this law are: Federal Pell Grants, Direct Subsidized and Unsubsidized Loans, Direct PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOG), and Federal Perkins Loans.

Though your aid is posted to your account at the start of each semester, you earn the funds as you complete the semester. If you withdraw during the semester, the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or SAGU or your parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by SAGU and/or you.

A return of Title IV (R2T4) funds calculation is performed when a student who is awarded federal funds withdraws from a semester of study. The Financial Aid Office uses software provided by the U.S. Department of Education to complete this calculation. The student's account statement and financial aid record is used in conjunction with this software.

### Estimate of Aid Earned or Aid That May Need to be Returned

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of the semester, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the semester, you earn all the assistance that you were scheduled to receive for that semester. This means that if a student receiving federal Title IV aid withdraws

after completing 60% of the semester, no Title IV funds will be returned. The student is considered to have earned 100% of the Title IV aid for the semester.

Here's an example of how you can estimate the percentage of Title IV aid that you have earned in a semester (enrollment period)

$$\frac{\text{Enrolled Days}}{\text{Days in the Enrollment Period}} = \% \text{ of Title IV Earned By Student}$$

You can also compute a rough estimate of the amount that you may be required to repay prior to withdrawing by using the [U.S. Department of Education's Treatment of Title IV Funds When A Student Withdraws](#) form.

### Unofficial Withdrawals and Earning All Non-Passing Grades

If you fail to earn a passing grade in at least one of your courses (i.e. all F's, NC's, all I's or a combination of non-passing grades) during a semester, you are considered to have, for purposes of federal Title IV funds, unofficially withdrawn from the University. As a result, a federal withdrawal calculation must be performed to determine the amount of Title IV funds that you must repay. The only exception is when SAGU can document (within 30 days of the end of the semester) that you should not have been considered unofficially withdrawn. For example, that you were academically engaged after the 60% point of the semester or that you did not meet the requirements for administrative withdrawal in an online course.

Once semester grades post, and if you fail to earn a passing grade in at least one of your courses, SAGU will perform the federal withdrawal (Return of Title IV) calculation.

### Post-Withdrawal Disbursement

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If your post-withdrawal disbursement includes loan funds, SAGU must get your permission before we can disburse them. We will contact you via LionMail (SAGU email) to offer you a post-withdrawal loan disbursement. Therefore, it is important that you continue to check your LionMail even after withdrawing from a semester. You may choose to decline some or all of the loan funds so that you don't incur additional debt. SAGU may automatically use all or a portion of our post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). SAGU needs your permission to use the post-withdrawal grant disbursement for all other school charges, and this permission is received each semester by each student when you approve your bill and agree to the terms and conditions of registration in your mySAGU student portal.

There are some Title IV funds that you may have been scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, a student that was awarded federal loans but has not accepted the loans in the mySAGU student portal or completed the required MPN or loan entrance counseling cannot receive a post-withdrawal disbursement of loan funds.

### Returning Title IV Funds

If you receive (or SAGU or your parent receives on your behalf) excess Title IV program funds that must be returned, SAGU must return a portion of the excess equal to the lesser of:

1. Your institutional charges multiplied by the unearned percentage of your funds, or
2. The entire amount of excess funds.

SAGU must return this amount even if we didn't keep this amount of your Title IV program funds. If SAGU is not required to return all of the excess funds, you must return the remaining amount.

Any loan funds that you must return, you (or your parent for a Direct PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

### Overpayments

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You do not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. You must make arrangements with SAGU or the Department of Education to return any unearned grant funds.

### Non-Attendance

If you are a Pell Grant, Iraq-Afghanistan Service Grant (IASG) or TEACH Grant recipient, federal regulations require you to have begun attending the courses for which you are enrolled and receiving these grants. If on the final roll sheet distributed to instructors to confirm attendance your instructor indicates that you are not attending a course, you are assumed not to have begun attendance for that course. Your grant will then be adjusted or cancelled based on the courses you have actually begun attending.

If you fail to begin attendance in all of the courses for which you are registered, you will have failed to establish eligibility for financial aid. In this situation, you will be required to repay all of the financial aid that you have received.

### Last Date of Attendance Determination for Programs That Take Attendance

For programs that take attendance (undergraduate on campus courses), the Financial Aid Office uses the student's last date of attendance in calculating whether or not Title IV funds have to be returned to Federal Student Aid. These attendance records are received through Blackboard or instructor records. Additionally, other academic records in Blackboard may be used to help determine the last date of attendance, such as when a student submitted an assignment or completed an assessment in Blackboard.

### Last Date of Attendance Determination for Programs That Do Not Take Attendance

For programs that do not take attendance (distance education and graduate on campus courses), the Financial Aid Office uses the withdrawal date in calculating whether or not Title IV funds have to be returned to Federal Student Aid. When a student in a program that does not take attendance is administratively withdrawn or when a student unofficially withdraws, the Financial Aid Office will use the midpoint of the semester in calculating whether or not funds have to be returned to Federal Student Aid, unless SAGU can show documentation of the student's last academically related activity.

### Federal vs. Institutional Refund Policy

The requirements for federal Title IV program funds when you withdraw are separate from any refund policy that SAGU has regarding institutional grants and scholarships or other non-federal financial aid. Therefore, **federal funds may not cover all unpaid institutional charges due to a student's withdrawal, and you may still owe funds to SAGU to cover any unpaid institutional charges.** SAGU may also charge you for any Title IV program funds that we were required to return. When you approved your bill for the semester, you were emailed a copy of SAGU's return policy to your LionMail account. If you do not have access to this or are not familiar with SAGU's refund policy, you should contact the Student Billing Office at [student\\_billing@sagu.edu](mailto:student_billing@sagu.edu) or (972)825-4645 to ask for a copy.

### Withdrawal Requirements and Procedures

You may contact the Registrar's Office at [registrar@sagu.edu](mailto:registrar@sagu.edu) or (972)825-4640 so that they can provide you with the requirements and procedures for officially withdrawing from school.

When considering withdrawing from the University, students are encouraged to contact the Financial Aid Office first to see how the withdrawal could affect their aid. The Financial Aid Office will assist the student in making an informed decision. Students can contact Financial Aid at [financialaid@sagu.edu](mailto:financialaid@sagu.edu) or by calling (972)825-4730.

You may also call the Federal Student Aid Information Center at (800)4-FEDAID [(800)433-3243]. TTY users may call (800)730-8913. Information is also available on Student Aid on the web at [www.studentaid.ed.gov](http://www.studentaid.ed.gov).

### **Satisfactory Academic Progress Policy (SAP) - Graduate**

Southwestern Assemblies of God University is required by law to formulate standards to gauge the progress of students receiving financial assistance through federal, state or institutional aid programs by applying both qualitative and quantitative measurements to academic work [34 CFR 668.16(e)]. These measurements shall be used to determine a student's eligibility for all federal Title IV aid and for other need-based financial assistance, unless the terms of a particular grant or funding source states otherwise.

### Time Frame Used in Measuring Progress

All SAP measurements are calculated annually at the end of the spring semester for all programs. Financial Aid Suspension will go into effect at the start of the following fall semester.

### Qualitative Progress Measurement: Minimum Cumulative Grade Point Average

A Cumulative Grade Point Average (CGPA) of 3.0 or higher must be maintained. Students that transfer credits from other institutions will also have this GPA calculated in the CGPA. This average must be maintained at the end of each subsequent spring semester for a student to receive financial aid. Students who do not meet this minimum CGPA requirement will be placed on Financial Aid Suspension.

### Quantitative Progress Measurements: Maximum Time to Complete a Degree

Students must select a program/degree of study before they can receive financial aid. When students receive financial aid to help pay a program/degree of study, they are expected to complete that program without taking a lot of time.

A student's progress may be evaluated for only one program at a time. Each financial aid applicant must select a primary program/degree of study prior to receiving financial aid payments. A student who is concurrently completing more than one degree may request additional time to complete the degree. A request for additional time must be submitted in writing to the Financial Aid Office.

To make sure that students complete their program in a reasonable amount of time, by law an institution must set a maximum time frame for graduate programs. The time frame to complete all graduate degrees is six (6) years from the first day of the first course in a program.

## **Financial Aid Suspension**

If a student fails to meet any one of the SAP measurements described above, they will be placed on Financial Aid Suspension. While on suspension, students will not be eligible to receive financial aid. Students will be notified of this via their campus email address.

### Appeal Process

If placed on Financial Aid Suspension, the student may petition the Financial Aid Department to consider mitigating (special) circumstances that resulted in inability to meet the SAP requirements. The appeal must be typed and must include an explanation with supporting documentation (i.e. medical statements, divorce documents, letters of unemployment, etc.) of the reason(s) the minimum academic standards required by SAP policy are not achieved. Additionally, each appeal must be submitted with a letter of endorsement from an SAGU faculty/staff member. The appeal narrative and documentation should also demonstrate that the adverse circumstances have been resolved.

All appeals will be reviewed within 7 business days of the Financial Aid Office's receipt of a complete appeal (appeal form, student's appeal letter, endorser letter, and supporting documentation). Notification of the review will be sent via SAGU email.

For appeals that have been approved, students will be placed on Financial Aid Probation for one academic year, beginning with the next fall semester. SAP will be calculated again at the end of the spring semester; if the cumulative standard is met, students will be placed back in good standing. Students that meet SAP for the academic year, yet are not meeting the cumulative requirement, will remain on Financial Aid Probation until the requirement is met.

For students that have been denied, there is another level of appeal. The student must request, in writing, a review by the Financial Aid Committee. Appeals that have been approved at this level will be required

to see an academic counselor in order to tailor the class schedule for student success. Attendance for the Learning Center will also be required. All scheduled meetings must be attended in order to complete this appeal if approved.

## Summer Enrollment and the SAP

When calculating the SAP status, summer attempted hours will be counted toward the 150 percent maximum, and summer grade points earned will be calculated as part of the cumulative grade point average. The rule pertaining to completion of a minimum number of attempted credit hours will not be calculated for summer enrollment.

A minister's recommendation is required (not required for licensed or ordained ministers with the Assemblies of God or other recognized denominations).

It is the purpose of the University to establish in students high standards of Christian conduct and to encourage them to maintain high standards of conduct. Applicants who are engaging in conduct that is generally regarded as less than exemplary will be denied admission.

## Entering Student

Acceptance into the Harrison Graduate School requires a student to:

All materials submitted during the admissions process become property of SAGU.

## Mandatory Vaccinations

*Effective January 1, 2012, the Texas Legislature passed new regulations (with limited exceptions) that affect all students planning to take classes on the SAGU campus. Please read the following very carefully:*

### *Meningitis Vaccination (state requirement):*

- All new or transfer SAGU students wishing to take classes on the SAGU campus must have received the **Meningitis vaccine** within the last 5 years.
- SAGU students who do not attend during a fall or spring semester but wish to return to classes must also receive the Meningitis vaccine.
- Regardless of program (on campus or distance education, undergraduate or graduate), students wishing to take on campus classes must receive the Meningitis vaccine.

office. You must receive the vaccine **ten (10) days prior** to beginning classes and/or moving into SAGU housing.

- **Students 22 years of age or older, or students only taking online classes (no on campus classes) are NOT required to receive the Meningitis vaccine.**

The influenza vaccine is also strongly recommended for all students.

## Early Admission Program

SAGU allows an exception to the previously stated admission requirement by offering only to its seniors the opportunity to enroll early in a graduate course. However, permission to enroll in a graduate course is not recognized as admission into the graduate program.

1. Eligibility for early enrollment in a graduate course is limited to SAGU's seniors who have a minimum cumulative grade point average (GPA) of 2.75.
2. The student must receive authorization from his/her academic advisor for early enrollment into a graduate course.
3. The student is allowed to enroll in no more than three hours of graduate studies per semester for a total of six hours.
4. Where applicable, graduate courses, according to the above guidelines, may be used as electives to meet requirements of an undergraduate degree program. Graduate studies counted toward a baccalaureate degree may not count toward a higher degree.

## Transfer Students

Transfer students will observe the same application process as other students. An official transcript from each college attended must be sent directly from each college to the Registrar's Office. Any student transferring from an Assemblies of God (or related) college must submit a transfer clearance form.

Transfer students are expected to be in good standing and eligible to re-enroll in the last school attended.

## Transfer of Credit

A maximum of 2/3 of the graduate credits required for a degree that have been earned at other regionally or professionally accredited colleges or universities with a grade of "B-" or above may be transferred to Southwestern. Courses completed with a grade of "C+" or below will not be accepted in transfer. Southwestern only transfers credit to meet course requirements for graduation. With the exception of transient courses, grades received at other institutions are not entered on Southwestern transcripts and do not count toward the student's GPA. Transient courses - courses taken by continuing SAGU students - will still have grades recorded on the SAGU transcript.

Once enrolled in the graduate program, the student must gain approval from the Dean of the School of Graduate Studies or the Vice President for Academics before taking a graduate course at another university.

## Department Chairs and Program Coordinators

Students attending a Christian university benefit from close relationships with the faculty. At SAGU, instructors take personal interest in the spiritual, educational, social, and professional welfare of all students. Students are encouraged to work closely with the academic leaders who oversee their academic programs.

## Graduate Distance Education

SAGU offers online graduate programs and courses to students who cannot relocate to Waxahachie or

interrupt their current vocational involvement to assume on campus studies. Contact the Graduate Office for information on program and course offerings.

The same academically and spiritually qualified faculty who teach on-campus graduate courses generally teach online courses. SAGU also makes all of its educational resources and student services available to every Distance Education student.

All students will attend a required first semester orientation which will introduce them to the processes at SAGU and provide appropriate academic and financial counseling. During the orientation, students will complete the initial semester registration process. Following this, students will return home to complete online courses via the internet.

Each semester thereafter, Distance Education students will complete online course selection and registration without the need to travel to campus each semester.

For any further academic counseling, students should contact the office of the Graduate School.

For questions on the distance education process, orientation, or general information please contact the Graduate Office.

Further information and course schedules are available on the SAGU web site ([www.sagu.edu/graduate](http://www.sagu.edu/graduate)).

## **National Council for State Authorization Reciprocity Agreement (NC-SARA)**

SAGU is an institutional participant in the SARA initiative which is a voluntary, regional approach to state oversight of distance education. As a participating institution students living in other states are able to enjoy expanded access to educational offerings at SAGU and the University is committed to continually enhance the overall quality of our distance education program.

## **Required Student Participation in University Surveys**

Southwestern Assemblies of God University engages in an ongoing program of assessment to determine the effectiveness of its education programs and services and to make informed strategic planning decisions. This process, under the direction of the Dean for Institutional Effectiveness, involves the participation of students in nationally standardized assessment instruments as well as tests and surveys developed within the University. The type and frequency of assessment instruments will vary according to the needs of the University. SAGU expects each graduate student to participate in the following events as directed by the

University:

**Graduate Orientation Survey**

**Graduating Student Survey**

*(Administered during the last semester of all graduating students)*

**Library Survey**

**Others surveys/questionnaires deemed necessary by the University**

## Academic Records

Student records are housed in the Registrar's Office. Grade reports are available online at the conclusion of each semester. Transcripts may be requested in writing for a fee. ## **Audit Courses**

Course audit is an option for students who want to gain more knowledge on a subject, but do not need the course for their degree. Audits are only intended to give students a theoretical basis in a subject area and not intended for mastery of a subject. Therefore, students auditing a course only receive a grade of AU and are not required to complete the assignments or participate in class discussions.

Course audits are not available via online. Additionally, students may not audit courses that are skill-based such as applied music courses, physical education courses, lab courses, internship/practicums, or computer skills courses.

Students who wish to audit a course must request to do so through the Registrar's Office during late registration. Audits are subject to seat availability. Further policies and procedures are available in the Registrar's Office. There is a fee associated with auditing a course which is due in full at the time of registration.

## Incomplete Work

1. The grade of “I” (incomplete) is an exceptional grade given only to students who have satisfactorily completed 50% of the course assignments/requirements, but who, for reasons beyond their control, have been unable to complete all course requirements. The granting of an “I” occurs only when mutually agreed upon by student and instructor.
2. Procedures
  - a) The student must apply to the instructor for an “I” by a specified date on the academic calendar.
  - b) The student is responsible for obtaining the remaining requirements of the course from the instructor.
  - c) If the work is completed within sixty (60) days from the last day of the semester, or within a shorter time frame specified by the professor, the “I” will be changed to the earned grade. No academic work may be submitted after the conclusion of the sixty (60) day period.
  - d) If the instructor does not submit a change of grade, the “I” will become the terminal grade.
  - e) The grade of “I” will appear on the permanent record of the student but will not be used in the determination of the cumulative grade point average. It does, however, count in the determination of satisfactory academic progress.

## Examinations

Exams in Distance Education are administered in various manners. Students will take open and closed book online exams depending on the specifications provided by the professor. Students are expected to comply with exam procedures outlined in the course syllabus. Any deviation from established guidelines will be investigated with great concern. In order for a student to make up an announced test, approval must first be secured from the professor.

## Academic Dishonesty/Cheating

Students must fulfill all academic requirements and assignments with integrity. This policy includes, but is not limited to, cheating on examinations and plagiarism of papers, book critiques, reading reports, and all other assignments. Students are not permitted to withdraw from a course while under investigation for or confirmed guilty of academic dishonesty. In the event that the student is determined guilty of academic dishonesty, the student will receive the grade determined by the faculty member, either an “F” for the assignment and/or an “F” for the course. Dishonesty could possibly result in further disciplinary action.

Refer to Biblical Standards in the Student Handbook.

## Academic Probation and Suspension

A satisfactory level of academic achievement is determined on the basis of a student’s cumulative grade point average calculated on the basis of all graduate work attempted. To be eligible for continued enrollment in good standing, a student must maintain a minimum cumulative grade point average as follows:

During the first nine semester hours attempted, the student must achieve a cumulative grade point average of not less than 2.75.

For ten or more semester hours attempted, the student must maintain a cumulative grade point average of not less than 3.00.

Should any student fail to maintain satisfactory progress toward graduation as specified by these regulations, the student will be placed on Academic Probation and will be required to follow the guidelines below. (The time frame of an academic suspension relates specifically to the fall and spring

semesters. A student suspended at the end of the spring semester would not be allowed to enroll in the following summer and fall semester.)

1. A student on academic probation will not be allowed to enroll in more than nine hours.
2. A student on academic probation for two consecutive semesters will be suspended for the following semester regardless if the semester is spring, summer, or fall.
3. A student on academic suspension may appeal to the Dean of the Graduate School for re-admission on probationary status. If the appeal is granted, the student will not be allowed to enroll in more than six hours. The student must also repeat the course at SAGU in which a low grade was earned in order to receive the degree.
4. A student will continue on academic probation until the cumulative grade point average meets the prescribed standards of the University; however, a student on academic suspension who fails to earn a semester grade point average of 3.00 or better will be automatically suspended for the following semester with the suspension enforced.
5. A student academically suspended for a second time will not be allowed to re-enroll. In such instances the student cannot appeal the suspension.

## Academic Accommodations

Individuals who have physical and/or mental disabilities and have been accepted to the graduate school can contact the Associate Director of the Learning Centers and Academic Accommodations in the Learning Centers. Further information will be provided by the staff about how to request support with academic accommodations. (Contact: Phone - 972-825-4841; Email - [AcademicAccommodations@sagu.edu](mailto:AcademicAccommodations@sagu.edu).)

**NOTICE OF NONDISCRIMINATORY POLICY RELATED TO STUDENTS WITH DISABILITIES:** Southwestern Assemblies of God University is dedicated to providing students with disabilities access to the programs, services, and activities of the University as required by the Americans with Disabilities Act (1990), the ADA Amendments Act of 2008, and by Section 504 of the Rehabilitation Act of 1973.

The Associate Director of the Learning Centers and Academic Accommodations, located in the Learning Centers housed in the Davis Building, collaborates with SAGU students, staff, and faculty to provide equal access to educational programs and safeguards against discrimination for qualified students with disabilities.

## Course Repetition

Any course taken in residence at SAGU may be repeated in residence at SAGU in order to improve the student's grade for that course. The student must apply to the Registrar's Office for application to retake the course. Only the final grade and grade points will be counted in the student's grade point average. However, the original grade remains part of the permanent record. A course taken at SAGU **MUST** be repeated at SAGU.

In order to maintain the minimum GPA to graduate, courses in which a grade of "C" or less were received may be repeated. Regardless of the GPA, a student will not be allowed to graduate with a final grade of "D" or "F" in any course.

## Graduate Orientation

All new graduate students are **required** to attend a **Graduate Orientation** their first semester of graduate studies. No student will be allowed to begin classes without attending the graduate orientation. An online orientation is available only to those students who have exceptional circumstances. It is extremely important that students be able to connect with other students as well as the graduate faculty and staff. SAGU's academic program is designed to enable students to learn through different instructional styles.

## Class Attendance Policy

The ability to pass examinations and complete outside projects is only a partial measure of the student's knowledge, skills, understanding, and appreciation of the subject matter. Therefore, continued class participation is imperative regardless of the delivery method of a particular course. Failure to maintain continual participation may result in the inability to complete the necessary course requirements.

Students are responsible for taking exams and submitting assignments by the appropriate due date. A student who is unable to do so is totally responsible to make the appropriate advance arrangements with the faculty member for possible make up work. The faculty member will have the prerogative to determine if a student may make up any examinations or outside assignments, along with the time frame in which the work must be completed.

## Online Course Attendance Policy (Course Enrollment Verification)

Because SAGU faces a lawful responsibility and a financial aid liability with regard to student progress in courses following online registration, the following policy concerning online course enrollment verification is in effect: Each student shall complete a Course Enrollment Verification through Blackboard by the date designated in the academic calendar or communicated to the student during the online registration process. (The School of Distance Education or the Registrar's office may be contacted for more information or the official due date.) Each instructor of an online course will provide notice of students failing to complete this requirement to the School of Distance Education for the purposes of officially withdrawing the student from the online course.

---

# WITHDRAWAL/DROP

---

## Course Withdrawal (Drop)

Students desiring to withdraw from a course must submit a withdrawal request to the Registrar's Office. Students desiring to withdraw from a distance education course must submit a drop form online. A fee is charged; consult the current Schedule of Fees.

A student will be allowed to withdraw from a course only within the first two-thirds of the semester (i.e., tenth week of the fall and spring semesters). A grade of "W" will be recorded on the student's transcript for the class dropped. Consult the academic calendar for the last day to drop classes.

Students failing to follow the correct procedure or meet the deadline in withdrawing from a class will receive a grade as determined by the instructor.

A student will not be allowed to withdraw from a course if he/she is under investigation for academic dishonesty. In the event that the student is determined guilty of academic dishonesty, then the student will not be allowed to withdraw from the course and will receive the grade determined by the instructor, either an "F" for the assignment and/or an "F" for the course.

## Automatic Administrative Withdrawal (Distance Education)

Because SAGU faces a lawful responsibility and a financial aid liability with regard to "unofficial withdrawals," the following policy concerning automatic administrative withdrawal is in effect: Each student in an online course must complete two progress reports – designated "Progress Report #1" and "Progress Report #2" – during the semester of study. Both reports will be submitted through Blackboard by the date designated in the academic calendar. Progress Report #1 will be due from the student during the 4th week of the semester (3rd week for summer), and Progress Report #2 will be due during the 8th week of the semester (6th week for summer).

If no progress report has been received by the 4th week (3rd week for summer), the instructor will report to the School of Distance Education. If no progress report has been received by the 8th week (6th week for summer), the instructor will report to the School of Distance Education and the Registrar for the purpose of automatic administrative withdrawal from the course. In the event of administrative withdrawal from an undergraduate course, a grade of Withdrawn Passing (WP) or Withdrawn Failing (WF) will be assigned and a fee will be assessed. In the event of administrative withdrawal from a graduate course, a grade of Withdrawn (W) will be assigned and a fee will be assessed.

## School Withdrawal

Students who desire to withdraw from the Graduate School are encouraged to contact the Graduate Studies Office for assistance in resolving any issues that they may be experiencing. Students who find it necessary to withdraw from the University must submit an official withdrawal notice with the Registrar's office.

Students failing to follow the proper procedure in withdrawing are not eligible for any refund and will receive grades in all courses as determined by the instructors. Transcripts cannot be released until proper clearance is arranged.

# GRADUATION

---

## Graduation Under a Particular Catalog

A student may graduate under the requirements of the catalog in force during the semester in which first enrolled, provided graduation is within six years from the end of that semester. The summer term may count as a part of the semester before or after it. However, a student may choose to graduate under the requirements of the current catalog, but only if the requirements of the catalog chosen are followed as a whole. The Graduate Chair and the Registrar's Office will help the student in every way possible to avoid errors, but the student has the final responsibility for satisfying all degree requirements according to the catalog chosen.

# EDUCATION PROGRAMS

The Graduate Education program prepares students as educators who will be spiritually, academically, professionally, and cross culturally equipped to provide quality educational Christian service around the world.

## Program Entrance Requirements

**The candidate is responsible for initiating the application to the Teacher Education program.**

Applications are available in the Teacher Education Office or on the Education website at [www.sagu.edu](http://www.sagu.edu). All applications must be accompanied by:

1. A recent photo.
2. A statement of purpose – a one-page, double-spaced essay describing reasons for desiring a profession in the teaching field.
3. Two recommendation forms completed by individuals who can verify moral character and child/youth related experience or other work experience. The Education Committee will not accept recommendations from relatives, SAGU employees, or fellow students. Recommendation forms are available on the SAGU Education Department website or in the Teacher Education Office.
4. Recommendation from the University's Counselor, based on results of the Taylor-Johnson Temperament Analysis (TJTA). The purpose for taking the TJTA is to identify strengths possessed by the potential teacher. If the TJTA indicates areas that may need strengthening, the student may be required to complete further counseling prior to admission to the Education program. The Counseling Office administers the TJTA, and the results are sent to the Certification Officer upon completion.
5. Sign and submit "Educators' Code of Ethics Affirmation."

Along with the application, eligibility for the program requires the candidate to:

1. Take the THEA and meet a minimum score of 240 in Reading, 230 in Math, and 220 in Writing. More information about the THEA can be found at this website: [www.thea.nesinc.com](http://www.thea.nesinc.com). SAGU is a testing site. Passing standards are subject to change as the Texas Education Agency changes minimum standards.
2. Have a minimum cumulative grade point average (GPA) of 3.0.
3. Gain approval of the Teacher Education Committee.
4. Meet such standards as may be implemented by law in the State of Texas at any time during the student's matriculation.

Once the application packet is complete, the Teacher Education Committee will review the applicant's file. The Committee reserves the right to request an interview as part of the application process. The Committee will vote and make a determination of acceptance or denial. Applicants will be notified by mail of the Committee's decision. Any applicant who is denied acceptance will be given a clear statement of reasons for denial. Denial of admittance, for any reason, may be appealed in writing to the Teacher Education Committee.

From time to time the state of Texas will amend its requirements for certification. While the SAGU Teacher Education Department does everything necessary to prevent major alterations to a student's degree, it must ultimately comply with state requirements. Therefore, the Teacher Education Department reserves the right to alter degrees and certification requirements as they are compelled by the Federal and State governments.

## Student Teaching Requirements

A student seeking state certification through the post-baccalaureate program will be required to enroll in appropriate Student Teaching course and successfully complete fourteen consecutive weeks of full day teaching in an accredited school.

Due to the added responsibilities during student teaching, graduate students are discouraged from taking more than three graduate hours during their student teaching practicum. Students who wish to take over three graduate hours of course work while student teaching will need the approval of the Graduate Education Chair.
